

PREFACE

This report is Volume II (a) of the Final Report on the 1969 Census of population and Housing, and presents data for Central Province. The data incorporate various revisions of those presented in the First Report, and there is a large number of additional tables not previously published.

Volume I of the Final Report, containing data at the national level and also general information on the census has already been published. The remaining parts of Volume II (giving information on the other provinces), Volume III (dealing with demographic analysis), and Volume IV (giving village populations) will be issued in due course.
