### **ZAMSTATS REFUTES ONLINE ADVERTISEMENT ON RECRUITMENT OF DATA COLLECTORS FOR THE 2025 ECONOMIC ESTABLISHMENT CENSUS**

The Zambia Statistics Agency (ZamStats) has noted with concern the circulation of an advertisement on social media platforms calling for interested applicants for a purported upcoming Economic Establishment Census.

ZamStats would like to notify the general public that the advertisement is not in any way associated with the Agency, as the Agency made a call for online applications during the dates 23<sup>rd</sup> to 26<sup>th</sup> July 2025 as part of the online recruitment process. The Agency notes with concern that the advertisement is likely designed with the intent to scam and potentially harm the general public. It is important to be cautious and verify such claims before engaging with the advertisement or its associated services.

**Note:** The Agency strongly advises the public to disregard any misleading advertisements and rely on verified information and authentic announcements, on our official website on [www.zamstats.gov.zm](http://www.zamstats.gov.zm) and **Facebook page: ZamStats**
