

EMPLOYMENT OPPORTUNITIES

21ST SEPTEMBER 2026

The Zambia Statistics Agency (ZamStats) was established under the Statistics Act, Chapter 127 of the Laws of Zambia, for the coordination of an integrated National Statistical System (NSS) to build a sustainable capacity for the production and use of statistical data and information for planning purposes at all levels of governance.

ZamStats has embarked on a transformative agenda which responds to the current trends in the statistical eco-system. In this regard, ZamStats hereby invites applications from suitably qualified Zambian nationals who are self-driven and dynamic with an impeccable track record to fill the following vacant positions:
